Dear Mr. Martin:

I have been in the news and printing trade for over 40 years. I urge you **NOT** to relax the broadcast ownership rules that protect American citizens from media monopolies. I have seen censorship in our news media with bias news reporting in small town papers already. If this is allowed to continue the second amendment is just words with no meaning. Without the second amendment all other freedoms will be lost.

The American people deserve to hear both sides of every issue. Therefore, for the sake of our democracy and our freedom, I urge you to continue the broadcast ownership protections that, for decades, have helped to ensure a healthy political debate in our country.

Sincerely,

Charles W. Hutchinson
